POWER BECOMES HEALTHY

MULTIFRUIT

# "Le plus chic" of Multifruit

---

**We present the new Multifruit Cherry**, a powerful and silent multi-juicer, whose sophisticated design and attractive colour make it ideal for spaces with personality.

**Zumex**

**High performance and powerful** centrifugal juicer.

**Brushless**, silent, infinite and long-lasting **motor**.

Constant control of the power with **Speed Control** and **2 speeds** depending on how hard the fruit or vegetable is.

**New button** and **matte finishes**, designed to stand out.

**Non-drip tap** and **new removable tray** with optimised design.

**It extracts juice from all types of fruit and vegetables**, such as apples, pineapples and kiwis, as well as carrots, celery and ginger.

**No pulp and high quality juice.**

**13 kg. capacity waste container** and **new Countertop Kit** for intensive use and infinite autonomy.
